NOTE FROM OUR PRESIDENT

Dear Members:

San Francisco was the host city this past June for the National Conference on Volunteering and Service. Reading about their upcoming event, I thought it appropriate to take a few moments to give "thanks" to all our affiliates, sponsors and Realtors® that make this an outstanding chapter.

Sir Winston Churchill, the former Prime Minister of England, has always been an inspiration to me. He was a man that accomplished much in his life. He was a leader, politician and one who was never at a loss for words. One of his quotes is a summation of the gift that the volunteers of Women's Council of REALTORS® give to the benefit of others; "We make a living by what we get; we make a life by what we give." Without a doubt the WCR Board, Committees and Sponsors have given the gift of time, talent and funds and without you we wouldn't be the thriving chapter we are. From my heart I thank each of you.

As we enter the halfway point of the year, it is good to take a look at our accomplishments and look forward to our plans for the coming months. Members of the Board have attended both National and State meetings. Those who gave of their time to attend these meetings received outstanding leadership training and learned much in the engaging roundtable discussions. The skills and knowledge needed to keep our chapter running effectively are learned at these meetings. It will be exciting to see many new ideas implemented.

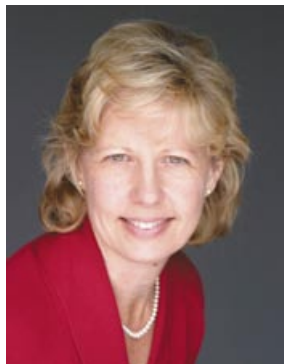

The program committee has done an outstanding job providing both relevant programs and educational opportunities for our entire membership. Our sponsors have played a tremendous role in helping us to put on these "top drawer" events. Huge thanks to our Association and Sandy Haney for the continued support.

Plans for our annual fashion show are well under way. Masquerade Magic is scheduled for September 17th and will be held at the Inn at Spanish Bay. Tickets are on sale at www.wcrmonterey.org Tickets are \$45.00 each.

While being successful in Real Estate isn't "brain surgery," it isn't as easy as "falling off a log" either. Whatever your aspirations are in this business, everyone of us are in it to succeed. Let Women's Council of REALTORS® help you to continuously improve your professional skills and lift your spirits.

See you at the next business resource meeting,

Sincerely,
Noni McVey
WCR Monterey Peninsula President, 2009

SOLID AS A ROCK

By Karen Calley

Our new president has come out of the gates running. This gal has taken over her new job with good spirit and tremendous competence. Not only is she attending all her chairs meetings and offering her assistance and support, she's also taken on the Fashion Show and all that entails. And, with the help of her able spouse we are going to be the proud owners of a new web based program to keep track of many facets of the huge fundraiser. So, this quarter we thank our very able new President, Noni McVey, with a special thanks to her husband, Dana, for his contribution!
